

## SYNERGISTIC EFFECT OF INGREDIENTS FOR OPTIMAL CURCUMIN ABSORPTION

**Enfla-Mend Px** contains Meriva, Organic Curcumin, piperine, resveratrol and quercetin for maximum synergy, absorption and efficacy.

\*RESULT: THE CUMULATIVE EFFECT OF THE INGREDIENTS IN ENFLA-MEND PX RESULTS IN AN ABSORPTION RATE THAT FAR SURPASSES EACH INDIVIDUAL STUDY.

The Organic Curcumin, from Madagascar, is a five year old mature root (industry standard is two years), containing 4% curcuminoids including curcumin, demethoxycurcumin, and bisdemethoxycurcumin, as well as volatile oils (tumerone, atlantone, and zingiberone). Combined, they offer a synergistic benefit.<sup>4</sup>
